

In 1776,  
the British

**WE  
SHOT  
THEM.**

TRYING TO IMPEACH TRUMP.**

**The only way I'd  
stop supporting  
Trump is if I found  
out he slept with  
Pelosi.**

@ALFIES\_LUNCHTIME

I thought I'd  
be more happy now that  
Trump is out of office,  
I feel a bit empty.

Be patient,  
they will tell us who  
to hate soon.

Raise your hand if you want to see Hunter Biden testify for 30+ hours before a Senate Intelligence Committee just like Donald Trump Jr. had to do over the Russian Collusion hoax!

to show America  
what a great

Trump was.**

IT'S OFFENSIVE TO NATIVE AMERICANS**

**FORD TO RENAME THE ESCORT  
- IT'S OFFENSIVE TO KAMALA HARRIS.**

**Let me get this straight...**

**Just ONE anonymous whistle-blower was OK to impeach a US President, but 1,000's of sworn affidavits, video evidence, many fraudulent ballots and unexplainable numbers of voters above those registered is NOT worth investigating because the media declared Biden the winner ??**

In 5 weeks we've finally gotten back to 'normal'. Gas is up \$1, we're bombing the middle east, thousands of jobs lost, borders are open, toy potatoes are offensive, coke needs employees to be less white, and taxpayers are paying for foreign abortions. Thank God we're finally rid of the guy that wrote mean tweets but put Americans first.

Nothing says we threw in the towel better than this nauseating image, the "commander in chief" can't even stay awake.
